

EXCAVATORS ... with hydraulic power that automatically adjusts to the work. Cut a trench. Lay pipe. Load trucks. You'll find Cat-built excavators tough, reliable and versatile. Standard or optional long undercarriage. One or two piece boom. Backhoe, front shovel and clamshell arrangements.

215 63 kW (85 FWHP)
570–1020 litres bucket capacity
16 300 kg operating weight with standard undercarriage and backhoe arrangement.

225 93 kW (125 FWHP)
410–1300 litres
23 000 kg

235 145 kW (195 FWHP)
1150–1880 litres
35 800 kg

245 242 kW (325 FWHP)
1520–2610 litres
57 500 kg

245 Front Shovel
242 kW (325 FWHP)
3.8 m³ front dump bucket capacity
62 000 kg operating weight
3.1 m³ bottom dump bucket capacity
63 200 kg operating weight

WHEEL TRACTORS ... for dozing and clean-up jobs where speed, mobility and versatility make a difference. Articulated steering, non-stop power shifting.

814 127 kW (170 FWHP)
16 300 kg operating weight.

824B 224 kW (300 FWHP)
28 300 kg

COMPACTORS ... easy to handle, high speed performance for fill-spreading and compacting. One pass double coverage. Articulated frame.

815 127 kW (170 FWHP)
17 400 kg operating weight

825B 224 kW (300 FWHP)
29 400 kg

LANDFILL COMPACTORS ... spreading, chopping, compacting of refuse and cover material. One pass double coverage. Articulated frame.

816 127 kW (170 FWHP)
17 800 kg operating weight

826B 224 kW (300 FWHP)
28 800 kg

WHEEL LOADERS ... easy handling, minimum service, top production. Load trucks and railcars, feed hoppers, carry chemicals or plow snow. Rear axle oscillation. Articulated frame steering.

Work tools: general and special purpose buckets, log and lumber forks, ripper-scarifiers and for the largest models – Beadless Tires.

910 48 kW (65 FWHP)
0.8–1.0 m³ bucket capacity
6 500 kg operating weight with general purpose bucket.

920 60 kW (80 FWHP)
1.15–1.35 m³
8 400 kg

930 75 kW (100 FWHP)
1.34–1.72 m³
9 600 kg

950 97 kW (130 FWHP)
1.72–2.68 m³
12 900 kg

966C 127 kW (170 FWHP)
2.3–3.45 m³
16 700 kg

980B 194 kW (260 FWHP)
3.45–4.2 m³
23 400 kg

988B 279 kW (375 FWHP)
5.4–6.0 m³
42 100 kg

992B 410 kW (550 FWHP)
7.65 m³
63 400 kg
